

Layaway / Deposit Plan Policy

1. Overview

We offer a **zero-interest Layaway (Deposit) Plan** that lets you pay for selected items in instalments.

Under this plan, you make progressive payments toward the full purchase price of an item. The item is only released and shipped to you after the full amount has been paid.

This is a **pure savings arrangement** — we simply hold your money safely until you've completed payment. No interest, no credit facility, no financing of any kind.

2. How the Plan Works

- You select an eligible item and start a Layaway plan.
- You make instalment payments of any amount, on your own schedule, until the full price is paid.
- Once the full amount is received and confirmed, the item is released and shipped to you.
- You do not receive the item, or any part of it, until full payment is completed.

3. Interest & Fees

- Zero interest on this plan.
- No administrative, handling, or hidden fees on your instalment payments.
- The only amount you pay toward the item is its price. A processing fee applies only in specific refund scenarios — see Section 7.

4. Pricing

The price is locked at the current selling price when you start your plan, subject to the following:

If the price decreases before you complete payment, you get the benefit of the lower price. Any excess already paid is refunded to you, or your remaining balance is reduced accordingly — no request needed on your part.

If the price increases before you complete payment, we'll notify you immediately via the app and your registered email. You can then:

- Continue the plan by paying the additional amount, or
- Cancel and receive a **full refund of everything paid, with no processing fee** — this wasn't your choice to make, so it isn't charged like one.

This mechanism applies to all items on the plan, not just volatile-price categories.

5. Reservation of Item

- A specific unit is not reserved for you until **50% of the item's price has been paid**.

- Once you cross 50%, we reserve your specific unit/configuration.
- Before that threshold, we'll make reasonable efforts to supply the exact model you selected. If it becomes unavailable, we'll offer a suitable alternative or a full refund with no processing fee — this is on us, not you.

6. Delivery / Release of Item

The item is prepared for shipping and released only after full payment is received and confirmed. Delivery timelines begin only after full payment is completed.

7. Cancellation, Dormancy & Refunds

Cancelling by choice: You may cancel at any time before full payment. A processing fee of **0.85% of the amount refunded** applies, to cover the non-refundable payment gateway charges we've already incurred — the rest is returned in full.

Cancelled through no fault of yours (a price increase you choose not to match, or a unit we can't supply): **full refund, no fee.**

Refund timeline: We initiate your refund within 1–2 business days of a confirmed request. From there, the timeline is set by Paystack and your bank, typically 5–10 business days for card payments and 2–3 business days for bank transfers. This part is outside our direct control once initiated.

Dormancy: If no payment is made for 90 consecutive days, we'll notify you at day 60 and again at day 80 via the app and your registered email. If there's still no payment or response by day 90, the plan is automatically cancelled and your balance refunded (the 0.85% processing fee applies, as with any customer-side cancellation).

Once full payment has been made and the item shipped, our normal return/refund policy for completed purchases applies instead of this section.

8. Communication

All important updates — price changes, payment confirmations, dormancy warnings, readiness for delivery — are sent via the app and the email address linked to your account. Keeping your contact details current is your responsibility.

9. General Terms

- This Layaway plan is not a loan, credit facility, or hire-purchase agreement of any kind.
- We reserve the right to decline or discontinue a plan in cases of suspected fraud, abuse, or repeated cancellations.
- We may update this policy from time to time. The version in force when you start a plan applies to that plan.
- By starting a Layaway plan, you confirm you've read, understood, and agreed to these terms.
